

DAVID MICHAEL TUCKER
CURRICULUM VITAE

Office Address: Austin Neuropsychology. PLLC
711-F2 W. 38th Street
Austin, Texas 78705
(512) 637-5841

EDUCATIONAL HISTORY

B.A. University of Texas, May, 1977
Microbiology and Psychology

M.S. University of Georgia, August, 1981
Clinical Psychology
(with specialty emphasis in clinical neuropsychology)
A.P.A. Approved

Ph.D. University of Georgia, June, 1983
Clinical Psychology
(with specialty emphasis in clinical neuropsychology)
A.P.A. Approved

Internship West Haven V.A. Medical Center, 1981-2
Clinical Neuropsychology
West Haven, Connecticut
A.P.A. Approved

FACULTY POSITIONS

August, 1990-
present Associate Professor (Adjunct)
Department of Psychology
University of Texas
Austin, Texas

September, 1993-
August, 2003 Intern Supervisor
Austin State Hospital
Austin, Texas

November, 1989-
August, 1990 Associate Professor
Departments of Neurology and Physical Medicine &
Rehabilitation
University of Missouri School of Medicine
Columbia, Missouri

September, 1989- August, 1990	Associate Professor (Adjunct) Department of Psychology University of Missouri Columbia, Missouri
March, 1985- August, 1989	Assistant Professor (Adjunct) Department of Psychology University of Missouri Columbia, Missouri
August, 1983- August, 1989	Assistant Professor Department of Neurology University of Missouri School of Medicine Columbia, Missouri
August, 1983- August, 1990	Intern Supervisor Mid-Missouri Psychology Internship Consortium Columbia, Missouri

CLINICAL POSITIONS

January, 2007- Present	Clinical Neuropsychologist Austin Neuropsychology, PLLC Austin, Texas
July, 1990 - December, 2006	Clinical Neuropsychologist Austin Neurological Clinic Austin, Texas
March, 1991-99	Director, Neuropsychological Services St. David's Rehabilitation Center Austin, Texas
September, 1993 - August, 2006	Director, Neuropsychological Service Austin State Hospital Austin, Texas
August, 1983- November, 1989	Chief, Neuropsychology Department of Neurology University of Missouri Hospital and Clinics Columbia, Missouri
November, 1989- August, 1990	Director, Neuropsychological Services Department of Physical Medicine and Rehabilitation University of Missouri Hospital and Clinics Columbia, Missouri

LICENSURE & CERTIFICATION

Diplomate in Clinical Neuropsychology, 1990, Diploma #4148
American Board of Professional Psychology,
American Board of Clinical Neuropsychology.
Texas - License #4175, 1991-current
Texas - Certificate #5074, 1990-91
Missouri - License #01178, 1985-92

AWARDS, HONORS & SERVICE

Texas State Board of Examiners of Psychologists, Oral Examination Examiner, 1999-present
American Psychological Association, Committee on Accreditation, Site Visitor, 1997-present
Co-Founder, Austin Neuropsychological Society, 1996
Austin Neuropsychological Society, President 1996-1998
Texas Psychological Association, Co-chair, Hospital Practice Committee, 1999
American Psychological Association, Division 40 Special Task Force:
Education and Credentialing of Clinical Neuropsychologists
Outstanding Supervisor, Mid-Missouri Psychology Internship Consortium, 1988-89
University Wide Fellow, University of Georgia, 1982-1983

PROFESSIONAL SOCIETIES

American Psychological Association
Member Division 40: Clinical Neuropsychology
Member Division 22: Rehabilitation Psychology
International Neuropsychological Society
American Academy of Clinical Neuropsychology
American Academy of Neurology
National Academy of Neuropsychology - Fellow
Texas Psychological Association
Capitol Area Psychological Association
Austin Neuropsychological Society

AD HOC REVIEWER

Journal of the International Neuropsychological Society
Journal of Consulting and Clinical Psychology
Psychological Bulletin
Journal of Abnormal Psychology
Archives of Clinical Neuropsychology
Contemporary Psychology
Assessment
Perceptual and Motor Skills

GRANTS

Roeltgen, D.P., Tucker, D.M., & Loverso, F. Prospective analysis of a model of writing and spelling. National Institutes of Health. August, 1986-July, 1988. \$216,807.
